Scholastic Book Order

Today your child has a Scholastic book order form. Scholastic offers wonderful books at great prices. Book orders are due by Monday, Oct. 11th.

Congratulations to the following students who did not move their paw in September: Ellie, Lauren, Chloe, Brianna, Allison, Grace. They will have lunch on me!!

Accelerated Reader/ READING WALL OF FAME

The purpose of Accelerated Reader is to improve reading comprehension. **I expect each student to read a book and pass at least one test each week.** They can take a test every morning and during our S.S.R. time. The children should take their A.R. book home every night and bring it back to school every day. They have time to read daily at school. **Congratulations to our Reading Wall of Fame members:**

Techno Spud Project

Our class will be participating in the Techno Spuds O.R.E.O. stacking project on Friday, October 8th. We are excited to see our stacking skills. Thank you to all who have contributed Oreos for this special project!

Football Pen Pals

Our class has football pen pals from Yorktown High School. We received a letter from our pen pal and then we wrote to them. On Thursday, October 14th we will be walking to the high school to have a special treat with them. Please have your child wear their green and white tiger wear for this day.

WHAT WE'RE LEARNING THIS MONTH...

READING – The class will be reading realistic fiction, a folk tale, and a fairy tale this month. We will concentrate on the following comprehension skills and strategies:

- *character and setting
- *sequencing
- *main idea and details
- *text structure
- *realism and fantasy
- *drawing conclusions

SPELLING/PHONICS...

The students will work on the following skills:

- *r-controlled vowels(ar,or,ore,er,ir,ur)
- *Contractions
- *Plurals (adding –s and –es)
- *Consonant digraphs (th, sh, wh, ch)
- *Long a (a, ai, ay)

SOCIAL STUDIES- The class will learn about cultural heritage this month. We will experience this first hand as we visit Conner Prairie.

SCIENCE-This month we will be observing and identifying different features of plants and animals. We will investigate by observing how animals and plants sometimes cause changes in their surroundings.

ENGLISH-Nouns, Nouns, Nouns! This month we will be emphasizing nouns. We will learn about nouns, proper nouns, singular and plural nouns, plural nouns that change spelling and possessive nouns.

MATH- In Math we will continue to work with the math facts. We will also reinforce place value. We will continue working with fractions and telling time to the half hour. In addition we will continue working with money – pennies, dimes and nickels.

Have a great month! If you have any questions or concerns please contact me at home or at school!
